

Far From Good is a punk band out of Prescott, AZ. Tim Fournier and Bernie Lopez started the band in the spring of 2018. After writing a few original songs, they completed the band with the addition of Vance Lopez on bass and Josh Lovett on drums. West Coast punk rock is a major influence to their sound.

Listening to the band's original material you can hear influence from bands like Face to Face, MXPX, Blink 182, and No Use for a Name.
